VISION

We want to see 10,000 people interceding for the Bible-less. Join us in standing in the gap for those who don't yet have access to the Bible.

INTERCESSOR

An intercessor is a person who intervenes on behalf of another. Learn how to better intercede on behalf of those who don't yet have a Bible!

Everything we do to End Bible Poverty is launched out of and saturated in communication with the Author of the Word. We believe prayer is the catalyst behind every relationship, collaboration and opportunity to see the knowledge of the Lord cover the earth as the waters cover the sea.

No one person or organization can end Bible poverty on their own. Each of the organizations we partner with bring something unique to the table. Although the general strategies are different, the vision is the same: a Bible in every heart language made accessible to every individual on earth.

And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover.’”
